## 2015 Summer Music Program

## Registration Form

**Tono Dolce** is a community choir based in Southeastern Connecticut. Our focus is to bring the joy of music to our friends and neighbors in the community.

We perform two main concerts during the spring and fall, as well as offering our summer program to area youth and adults. Our winter holiday program consists of caroling at events throughout the area.

All concerts and events are open to the public and free to attend. Our repertoire is varied; from classical to contemporary, from religious to secular.

**Tono Dolce** is a 501(c)3 non-profit organization. All our operating costs are paid by membership dues, free-will donations during performances, and sponsors from the community.

## Summer Music Program

Please join the regular members of Tono Dolce for an informal, relaxed singing opportunity this summer.

We will meet and rehearse Monday evenings, 7-9pm at St. Luke Lutheran Church (1830 Rt 12, Gales Ferry), beginning June 29th and running through August 3rd.

These rehearsals will culminate in a day-long workshop on August 8th, followed by a concert that evening where we will showcase the music we have been working on through the summer.

This program is open to all high school students as well as adult members of the community. No audition required. The cost to participate is \$30 per person for non-members.

*(Scholarships are available - please inquire if you need financial assistance.)*

## REGISTRATION FORM

### Summer Music Program 2015

Please fill out the reverse with your information.

Payment information:

☐ \$30 Cash/Check

*Please make checks out to "Tono Dolce", and indicate the name of the singer on the memo line.*
